8:00 a. m. – the close of convention

We are pleased to offer childcare services to our clergy and delegates for **children ages 5-12**. Camp Convention will take place in a meeting room at the Suburban Collection Showplace. We'll have lots of games, projects and fun things to do—but your child can certainly bring their favorites. Younger children will also need a change of clothing and a blanket or sleeping bag for rest time. The group will plan to visit the convention floor during the day—so look for them! **Please plan to have your child join you for lunch as childcare will close 12:15 - 1:45 p.m.**

We can only accommodate children who have been pre-registered with this form (10 children maximum). No walk-ins accepted—so please make a reservation.
