Background Screening Cost & Responsibility

The Diocese of Michigan upholds the following background check standards:

A comprehensive background check with review of ten years of references is required of all clergy (priests and deacons) seeking to be licensed, transfer canonical residence, or to work within the Diocese of Michigan. In this case the cost of the background check is the responsibility of the clergy or church or agency seeking to hire the clergy person.

Based on the canons, a background check with ten year referencing is also required of all nominees for postulancy in the Diocese of Michigan. In most cases the candidate pays 1/3 of the cost, the sponsoring congregation pays 1/3, and the diocese pays the final 1/3.

This distribution is standard unless another arrangement has been made between the nominee and the sponsoring congregation to absorb some of the cost to the nominee. The diocese generally pays one third unless extreme financial circumstances exist.

Whenever a canonically resident or licensed clergy person changes employment within the Diocese of Michigan her/his background check must be updated to include the immediate ten years. The cost of the background check is the responsibility of the church or agency receiving the clergy person as their new employee.

Paid lay staff, volunteers handling monies, and volunteers working with children, youth, or vulnerable adults at a church or agency within the Diocese of Michigan must agree to a background check. The cost of the background check is the responsibility of the church or agency seeking to employ the candidate or use the volunteer's services. Such background checks will include Criminal Records and Sex Offender Registry search.

Records produced as a result of the background check are kept entirely confidential.

The Diocese of Michigan does not wish to preclude persons with criminal records from participating in a church's or agency's overall community. These background investigation policies are an essential aspect of our responsibilities to keep safe children, youths, and vulnerable adults in our care through our collective ministries.

The fee for First Advantage to do the background screening is \$30-\$40.

The fee for Oxford Document Management Company, Inc. do the background screening is \$120. These fees will be invoiced to congregations and agencies.
