

SUMMER 2025: CAMP UPDATES

Dear friends,

We are excited to announce that the Episcopal Diocese of Michigan is partnering to send campers to Camp Chickagami (located in Presque Isle, MI) again this year. Free transportation will be provided for Session 2 (July 13-18) leaving from metro-Detroit.

The Episcopal Diocese of Michigan is encouraging students to attend:

- **July 2-5** : Family Camp (transportation not provided)
- **July 13-July 18**: Ages 8-17 (transportation will be provided)
 - All sessions this week provide campers with the opportunity to explore their faith in creation and enjoy outdoor activities, leadership skills building, independence, and lifelong friendship-making.
 - Elementary & Intermediate Camp: For 8-13 year old campers (bunked with like ages)
 - Senior Camp: For 14-17 year old campers (bunked with like-ages)

In addition to transportation, there is a diocesan code that can be used to reduce camp cost by \$100 for anyone in the diocese. Please ask your rector or email Carmen Piggins at cpiggins@edomi.org to get the code. If you have a child or youth that needs additional financial support please reach out to Carmen Piggins.

If you need additional information or have questions, please reach out to **Carmen Piggins at cpiggins@edomi.org**. I am so excited and cannot wait for all of the camp fun this summer!
